EDLounge & Ofsted

EDLounge can help your school address the new Pupil Premium and Ofsted framework by:

- Engaging vulnerable students.
- Increasing your A*-C performance.
- Improving attendance.
- Tracking and monitoring.
- Reducing exclusions.
- Meeting individual needs.
- Enhancing the provision for your alternative curriculum.

Now is the ideal time to start thinking about your next cohort of PUPIL PREMIUM students at Key Stage 3 and 4. Helping improve the school's KS4 A*-Cs, Value Added, and Best 8 scores.

We can help
your Pupil
Premium students
gain success!

'EDLounge' system supports students with complex medical or behavioural needs and enables them to catch up with missed work remotely from home. Students who spoke with inspectors value the additional support sessions for examination groups; these have contributed to the positive picture of examination performance."

Supporting Pupil Premium with ED Lounge

ED Lounge is a unique online resource that enables you to effectively maximise your Pupil Premium support and achievement. The package currently works with over 200 schools in the UK, addressing and targeting issues surrounding the Pupil Premium gaps and pupil disengagement in each establishment.

ED Lounge can help your establishment address and support Pupil Premium by:

- Delivering QCF and NQF Ofqual registered qualifications that count towards your KS4 performance tables.
- Offering a broad and balanced curriculum for all students.
- Fully engaging pupils who might otherwise not have gained a qualification.
- Complying with new Ofsted regulations and standards for Headline measures and Pupil Premium.
- Increasing attendance for disengaged pupils.
- Addressing the 3 levels of progress for your KS3 and transition students.

- Comprehensive tracking and comparison of pupil performance for target groups, classes, individuals and whole year groups.
- Offering a totally inclusive provision for any individual.

We can help you provide an inclusive provision!

Our Support for Your Pupil Premium Students

EDLounge is proud to launch the new online support system that allows us to offer support to any individual that accesses the resource, whether they are on-site or off-site. All of our support officers are uniquely trained with a wealth of knowledge and understanding of the EDLounge lessons, system, qualifications, methodology, exams, coursework and practical elements we offer and have put into place an exclusive pre-assessment, assessment and feedback service for the students.

This will help the Pupil Premium student(s) to learn, progress and understand what is being taught and what they are being asked to do.

A range of practice, live and mock exams has been added to the system to help students prepare for exams and to offer them ongoing support for the new next generation BTEC courses.

Support is offered to students in exclusion, home education, isolation or in inclusion whether on or off-site. Our Support Officers provide a thorough and robustly

safeguarded and supervised provision which complies with the government's legislation for alternative provisions on and off-site.

Pupil Premium students can ask for and receive help, feedback, comments and direction from our support officers so that all students are able to progress through EDLounge, improving low literacy / numeracy and academic ability.
